Introduction – Surah Al-Falaq

Surah al-Falaq and Surah an-Nas, the last two Surahs teach us the excellent prayers to protect ourselves.

- It is the Sunnah of the Prophet ﷺ to recite the last three Surahs once after every Salah and thrice after Fajr and Maghrib.
- It has been reported by Ayesha (R) that before sleeping, the Prophet ﷺ used to blow into his hands, recite the last three Surahs and then pass his hands over his body [Bukhari and Muslim].

Introduction – Surah Al-Falaq

**Who among us wants to get protection? Everyone!
We should then make it a habit to recite these Surahs
regularly. We get two benefits by doing so:**

- (i) Get the protection, and**
- (ii) Receive the reward for following the Sunnah.**

Message from:

قُلْ	أَعُوذُ	بِرَبِّ	الْفَلَقِ
Say,	"I seek refuge	In (the) Lord	(of) the daybreak,

- The Surah starts with "Say." We should recite this Surah as well as convey it to others with wisdom and kindness, the same way that the Prophet صلى الله عليه وسلم did.

Message from:

قُلْ	أَعُوذُ	بِرَبِّ	الْفَلَقِ
Say,	"I seek refuge	In (the) Lord	(of) the daybreak,

- Realize first that we are unsafe. We are surrounded by evil attacks day and night including those from viruses, mischief makers, and jealous people.

Message from:

قُلْ	أَعُوذُ	بِرَبِّ	الْفَلَقِ
Say,	"I seek refuge	In (the) Lord	(of) the daybreak,

- Allah brings out the day from the darkness of night. Similarly, Allah can remove from us the darkness of evil.

لَا 2 خَلَقَ	مَا	شَرِّ	مِنْ
He created;	(of) that which	(the) evil	From

- **شَرِّ** has two meanings: evil and suffering. Some evil things appear to be good but their end is suffering. Therefore they are also evil.

Message

لَا 2 خَلَقَ	مَا	شَرِّ	مِنْ
He created;	(of) that which	(the) evil	From

- We ask Allah's protection from the evil of what He has created, i.e., from the evil of His creations. For example, Allah created human beings to worship Him but some of them hurt others. We ask Allah to protect us from the evil of such persons.
- Likewise we ask Allah's protection from the evil of all living and non-living creatures.

Practice with imagination, feelings and prayer

لَا 2 خَلَقَ	مَا	شَرِّ	مِنْ
He created;	(of) that which	(the) evil	From

Allah is the Creator and the rest are His creations. We seek His help from the evil of His creations which include everything.

قُلْ أَعُوذُ بِرَبِّ الْفَلَقِ ۝

مِنْ شَرِّ مَا خَلَقَ ۝

“What he created”
covers every thing...

However, the next 3 verses talk of three specific evils.

وَمِنْ شَرِّ غَاسِقٍ
وَمِنْ شَرِّ النَّفَّاثَاتِ
وَمِنْ شَرِّ حَاسِدٍ

One common thing in the 3???

We won't know if the harm is on our way:

- in darkness **غَاسِقٍ**
- by magicians **النَّفَّاثِ**
- by a jealous person **حَاسِدٍ**

Only Allah can give protection.

Message from:

- After every 12 hours comes the night. The time for work is over and people are relatively free. It is the time when the human mind can easily be corrupted by the devil. An empty man's brain is a devil's workshop.

Message from:

وَقَبٌ	إِذَا	غَاسِقٍ	وَمِنْ شَرِّ
3			
it becomes intense,	when	(of) darkness	And from (the) evil

- Most of the evil, indecent, and immoral acts happen at night such as bad TV programs, evil parties, evil movies, and other evils.
- It is easier for the thieves and enemies to attack at night.

Message from:

وَقَبَ	إِذَا	غَاسِقٍ	وَمِنْ شَرِّ

it becomes intense,	when	(of) darkness	And from (the) evil

- Staying awake late is also evil because it becomes difficult to get up for Fajr. It is extremely harmful to health too. You lose the excellent opportunities of morning work.

Message from:

	in the knots,	(of) those who blow	And from (the) evil

- Magic or sorcery is a big test from Allah. If the one who is affected by the magic doesn't have strong faith in Allah, he may start committing shirk and do un-Islamic practices to find the solution.
- In some families where relations are not good, people are scared of visiting relatives. They are afraid of magic or other evils from them. This Surah is the best cure for all problems.

Message from:

- **Don't forget the daily blowing by the enemy who lives with us! The Prophet صلى الله عليه وسلم said, "When any one of you sleeps, Satan ties three knots at the back of his neck. He recites this incantation at every knot: 'You have a long night, so sleep.' If he awakes and remembers Allah, one knot is loosened. If he performs Wudoo, the (second) knot is loosened; and if he performs prayer, (all) knots are loosened and he begins his morning in a happy and refreshed mood; otherwise, he gets up in bad spirits and sluggish state." [Al-Bukhari, Muslim]**
- **If you stay awake late, you give a big chance to Shaitan to make you sleep and miss Fajr.**

Message from:

he envies.	when	(of) an envier	And from the evil	

- If you receive something good, a jealous person wishes that you lose it and he gets it. If not, at least you should lose it. He will try to destroy your reputation, work, property or hurt you.

Message from:

ع 5	حَسَدًا	إِذَا	حَاسِدٍ	وَمِنْ شَرِّ
he envies.		when	(of) an envier	And from the evil

- Pray to Allah that we are never jealous of anyone. It is like objecting to Allah's distribution! Say A'oodhubillah and pray for more for him and for yourself. You will get it too!
- The Prophet صلى الله عليه وسلم said, "Beware of envy because envy consumes (destroys) the virtues just as the fire consumes the firewood," or he said "grass."
